

AHMED SAMIR ABD ELFATTAH IBRAHIM

📍 Riyadh, KSA | 📞 +966 564 289 351 | ✉ architect.ahmedsamir@gmail.com
Architectural Site Engineer | 7 Years of Experience

Professional Profile

Results-driven Architectural Site Engineer with 7+ years of experience delivering residential, commercial, and retail fit-out projects across KSA and Egypt. Specialized in high-end interior finishes within retail stores and shopping malls, including execution inside operational malls under tight timelines. Strong expertise in coordination, shop drawings review, QA/QC, and compliance with safety and brand standards. Proven track record of delivering projects on time, within budget, and to premium quality levels.

Core Competencies

- Site Supervision & Finishing Works
- High-End Finishing & Interior Works
- Facade Coordination & Design Review
- AutoCAD, Revit & 3D Visualization (3ds Max, Lumion)
- Project Scheduling & Progress Monitoring
- Quality Control & Safety Compliance
- Shop Drawings & Material Submittals Review
- BOQ & Contract Review
- Coordination with Consultants & MEP Teams
- Retail & Mall Fit-out Execution
